

CRESCERE

## Estate Cabernet Sauvignon 2016

### Notes:

From its alluring deep garnet to its expressive aromas of dark fruit and violets, this wine is endowed with refinement and definition by sourcing from the first rate sites within our hillside vineyard. The choicest site within our hillside vineyard, the Lydian block provides boulder like geometric tannins and wide shoulders upon entry. A core of succulent dark plum and black currant cover the palate with harmonious accents of tobacco and gunpowder that embrace the medium-long finish across fine-grained tannins and vibrant acidity.

### Reviews:

'A rich, incredibly powerful wine that has sensational notes of black currants, high-class smoke tobacco, chocolate, and leafy herbs. With remarkable purity, building tannins, and a great, great finish, it's going to keep for 20-25 years.

[97+ Points - Jeb Dunnuck](#)
