## Estate Cabernet Sauvignon 2017

### Notes:

Deep color, spicy nose with a dark profile of blackberry and black current and tons of spices from the French oak, the wine also shows tobacco notes, roasted coffee beans and Christmas spices. The palate is dense, concentrated, and powerful with a solid core of tannins front to back, creating a lot of tension in the wine. The dark fruit profile, layers of spices and hint of sweetness round out the palate and create this full-bodied, complex wine. The unique minerality profile and acidity lifts the wine and creates a long finish.

### Reviews:

'Has plenty of depth and purity in its ripe blackcurrant fruits and spicy, tobacco, mineral-laced aromas and flavors. Full-bodied, concentrated, and powerful on the palate, it has . . . a great mid-palate, and the depth and structure'
