

CRESCERE

Platt Vineyard Chardonnay 2016

Notes:

Platt is considered by many to be the greatest Chardonnay site in California and produces fruit that can be put up against great white Burgundy. The nose opens with notes of cantaloupe, honeysuckle, orange blossom, wet stone and tinges matchstick reduction, lichen, and lemon curd. The palate follows through offering generous fresh persimmon, apricot, nutmeg with a flinty backbone underscored by notes of fresh flaky pie crust. It is a wine of both precision and generosity which is perfect to enjoy now or can be cellared for years to come.

Technical Information:

100% Chardonnay, Old Wente clone
